

EXPERIENCE SERIES™
830 Line

PREMIUM DESIGN

The 830 Line features easy-to-use motion controls and an LED-based console that focuses on fitness.

AMT® 835

Adaptive Motion Trainer®

Like every piece of equipment in our Experience Series™ 830 Line, the AMT® 835 combines essential reliability and ease-of-use with a natural, low-impact stride to add value to your facility. The 830 Line console integrates our intuitive motion controls and uses an LED-based display that focuses on the essential fitness stats and displays that keep users moving.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

PRECOR®

AMT[®] 835

Adaptive Motion Trainer[®]

EXPERIENCE SERIES™
830 Line

The award-winning and innovative design of the Adaptive Motion Trainer[®] (AMT[®]) 835 intuitively responds to users' natural motion, allowing users to completely change the flow of movements for a comprehensive cardio workout - all without so much as the push of a button.

PRODUCT HIGHLIGHTS

- 1 Console**
Created to complement the entire Experience Series™ line, the P30 console features easy-to-use motion controls and uses a LED-based console that focuses on the essential fitness stats that keep users moving.
- 2 Stride Dial™**
The pendulum-like swing of the Stride Dial helps users see their stride length to determine the muscle groups they are working out.
- 3 Dual Action**
Dual action provides both upper and lower body workout. Arms are engaged with pushing and pulling motion to provide the ultimate in total body engagement.
- 4 Adaptive motion**
Naturally adjust stride length — without the need to control settings — from zero to 27 inches (69 cm), to match the desired workout for each unique user.
