

EXPERIENCE SERIES™
830 Line

PREMIUM DESIGN

The 830 Line features easy-to-use motion controls and an LED-based console that focuses on fitness.

EFX® 833

Elliptical Fitness Crosstrainer™

Like every piece of equipment in our Experience Series™ 830 Line, the EFX® 833 combines essential reliability and ease-of-use with a natural, low-impact stride to add value to your facility. The 830 Line console integrates our intuitive motion controls and uses an LED-based display that focuses on the essential fitness stats and displays that keep users moving.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

PRECOR®

EFX[®] 833

Elliptical Fitness Crosstrainer[™]

EXPERIENCE SERIES[™]
830 Line

With the unique Precor CrossRamp[®] technology, users can alter the path of the EFX[®] 833 between 13 and 40 degrees in both forward and reverse stride motions, cross training various muscle groups to offer a wider range of workouts focused on the lower body.

PRODUCT HIGHLIGHTS

- 1 Fixed Handlebars**
Fixed handlebars allow users to focus on lower body workouts.
- 2 Console**
Created to complement the entire Experience Series[™] line, the P30 console features easy-to-use motion controls and uses a LED-based console that focuses on the essential fitness stats that keep users moving.
- 3 CrossRamp[®] Technology**
Users can isolate or crosstrain specific lower body muscle groups simply by adjusting the angle of the ramp, making it easy for users to focus on their individual fitness goals.
- 4 Biomechanics**
Our patented elliptical path perfectly mimics a natural running stride, allowing users to keep their heels down for a more comfortable, effective and ergonomically correct motion.

PRODUCT SPECIFICATIONS
