

DISCOVERY SERIES™  
**Plate Loaded Line**

# DPL616

Calf Raise

The Discovery Series combines all the functional performance elements demanded from a strength line but with the design and attention to detail you would expect from Precor. The result is an exceptional workout experience for the first-time user or seasoned athlete.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs and atmosphere you're creating.

With a durable release arm and convenient handles, the Discovery Series Plate Loaded Line Calf Raise delivers a reliable workout experience. Plate load horn is angled for easier loading of weight. Thigh pad adjustment telescopes to accommodate almost any size user. Textured powder-coated footplate provides a highly durable and secure surface for users.

### PRODUCT HIGHLIGHTS

#### 1 Instructional Placards

Improve every workout with easy-to-understand, large text-free illustrations that demonstrate correct form at a glance. Users will love the QR codes and URL that provide smart phone links to helpful 30-second instructional videos.

#### 2 Delivers More Effective Workouts

Designed to demand greater balance and core muscle engagement, the independent arm resistance provide a greater range of motion.

#### 3 Upholstery

Exercisers will be more comfortable thanks to the premium pads and upholstery—and you'll appreciate the enhanced performance of more durable materials.
