

DISCOVERY SERIES™
Plate Loaded Line

DPL561

Leg Curl

The Discovery Series combines all the functional performance elements demanded from a strength line but with the design and attention to detail you would expect from Precor. The result is an exceptional workout experience for the first-time user or seasoned athlete.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs and atmosphere you're creating.

• Colors may vary.

• Custom colors available. Please contact a Precor Sales Representative.

The innovative, adjustment-free design of the Discovery Series Plate Loaded Line Leg Curl allows the user to easily move from right to left leg without any adjustments. The kneeling configuration creates a superior movement with smooth feel and excellent muscle contraction.

PRODUCT HIGHLIGHTS

1 Instructional Placards

Improve every workout with easy-to-understand, large text-free illustrations that demonstrate correct form at a glance. Users will love the QR codes and URL that provide smart phone links to helpful 30-second instructional videos.

2 Delivers More Effective Workouts

Designed to demand greater balance and core muscle engagement, the independent arm resistance, converging and diverging movement paths provide a greater range of motion.

3 Upholstery

Exercisers will be more comfortable thanks to the premium pads and upholstery—and you'll appreciate the enhanced performance of more durable materials.
