The unique motion path of the Discovery Series Plate Loaded Line Seated Dip is achieved through narrow and wide handle positions, that ensures a targeted workout and correct exercise movement. The oversized push-down handles provide a large surface area to reduce pressure. The Seated Dip arms can be configured independently or dependently based on preference at time of install.

PRODUCT HIGHLIGHTS

- 1 Instructional Placards**
 Improve every workout with easy-to-understand, large text-free illustrations that demonstrate correct form at a glance. Users will love the QR codes and URL that provide smart phone links to helpful 30-second instructional videos.
- 2 Easy to Get Started Adjustments**
 Precision adjustments, including highly durable industrial-grade seat adjustments and large, ergonomic rubber adjustment handle, make it easy and comfortable for users.
- 3 Delivers More Effective Workouts**
 Designed to demand greater balance and core muscle engagement, the independent arm resistance, converging and diverging movement paths provide a greater range of motion.
- 4 Upholstery**
 Exercisers will be more comfortable thanks to the premium pads and upholstery—and you'll appreciate the enhanced performance of more durable materials.
- 5 Easy Load and Unload**
 The two weight horns provide over 400 lbs for ample plate storage on your strength floor.
