

EXPERIENCE™ SERIES
810 Line

BASIC ESSENTIALS

The 810 Line provides all the essential features with a premium feel.

EFX® 815

Elliptical Fitness Crosstrainer™

Like every piece of equipment in our Experience Series 810 Line, the EFX® 815 combines essential reliability and ease-of-use with a natural, low-impact stride to add value to your facility. The 810 Line is our most affordable and whether on its own or alongside the rest of the Experience Series cardio equipment, the 810 Line offers the essential features with a premium feel.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

PRECOR®

EFX[®] 815

Elliptical Fitness Crosstrainer[™]

EXPERIENCE[™] SERIES
810 Line

The EFX[®] 815 combines the benefits of CrossRamp[®] technology and upper body moving handlebars for a total-body workout. CrossRamp technology, unique to Precor, offers ramp inclines from 13 to 40 degrees, which allows users to target different muscle groups.

PRODUCT HIGHLIGHTS

- 1 Moving Handlebars**
Moving handlebars for a total-body workout.
- 2 Console**
Created to complement the entire Experience Series[™] line, the P10 console features an LED-based console that focuses on the essential fitness stats that keep users moving.
- 3 CrossRamp[®] Technology**
Users can isolate or crosstrain specific lower body muscle groups simply by adjusting the angle of the ramp, making it easy for users to focus on their individual fitness goals.
- 4 Biomechanics**
Our patented elliptical path perfectly mimics a natural running stride, allowing users to keep their heels down for a more comfortable, effective and ergonomically correct motion.
