Vitality™ Series Pin Selected

Chest Press

The reimagined Vitality™ Series Pin Selected Line provides a compact, value-priced conditioning circuit that fits the space and budget requirements for a wide range of facilities, from hospitality to multi-family residential to community centres. New contemporary styling allows you to enhance the Vitality Pin Selected strength training experience with pieces from Vitality Benches & Racks and Resolute Strength™ Pin Selected.

The Vitality™ Series Chest Press features comfortable, oversized grips with multiple positions, an adjustable back pad for desired pre-stretch start position and an adjustable seat for proper exercise height and form. Exercisers can easily engage the add-on weight with a simple push of a lever to increase the workload.

Vitality™ Series Pin Selected Chest Press

Grip Variety and Size

The various grip options allow for wide and narrow grip movements, providing exercise variety. The over-sized grips provide comfort while pressing.

Adjustable Start Position

The seat and back pad adjustments allow the exerciser to easily adjust the start position to fit their body for a comfortable workout position.

Easy Entry and Exit

The low pivot of the movement arm ensures proper path of motion and easy entry/exit to and from the unit.

Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.
