

CO01BP

Vitality™ Series Selectorized

Chest Press

The reimagined Vitality™ Series Selectorized Line provides a compact, value-priced conditioning circuit that fits the space and budget requirements for a wide range of facilities, from hospitality to multi-family residential to community centers. New contemporary styling allows you to enhance the Vitality Selectorized strength training experience with pieces from Vitality Benches & Racks and Resolute Strength™ Selectorized.

The Vitality™ Series Chest Press features comfortable, oversized grips with multiple positions, an adjustable back pad for desired pre-stretch start position and an adjustable seat for proper exercise height and form. Exercisers can easily engage the add-on weight with a simple push of a lever to increase the work load.

Chest Press

Grip Variety and Size

The various grip options allow for a wide and narrow grip movements, providing exercise variety. The oversized grips provide comfort while pressing.

Adjustable Start Position

The seat and back pad adjustments allow the exerciser to easily adjust the start position to fit their body for a comfortable workout position.

Easy Entrance and Exit

The low pivot of the movement arm ensures proper path of motion and easy entrance/exit to and from the unit.

Helpful Guidance

The conveniently located instructional placard provides step-by-step guidance on body position, movement and muscles worked.
