

## TRM 661 Treadmill Experience® Series

For a commercial treadmill that strikes the optimal balance between durability, reliability, and innovation for lower usage facilities, look no further. The TRM 661 delivers on these essentials along with premium materials, club-level appearance, and features.

The P62 touchscreen console injects contemporary design and a premium networked fitness experience to the cardio floor.

Furthering the value of this state-of-the-art console, networked units receive automatic software updates, refreshed content, and new features without any action or expense.

Not only does the TRM 661 give you the unique ability to combine a value treadmill base with a premium console, it can also be seamlessly mixed and matched with cardio products from the Experience Series 700 and 800 lines to give you the best possible combination of cardio equipment for your exercisers.

# TRM 661 Treadmill

## Experience® Series

### Product Features

#### 1. P62 Console

The P62 console features personalised viewing and the remarkable clarity of TV and internet options that exercisers crave, all in a 10.1 in / 25.7 cm screen. With the ability to “favourite” selections for future use, exercisers can customise their workout experience based on what's important to them.

#### 2. Commercial-Grade Drive and Lift Motor

The TRM 661 is equipped with a commercial-grade 3 HP AC-motor that enhances performance, efficiency, and reliability to deliver a treadmill that is ideal for fitness facilities located in multi-family housing complexes, corporations, and many hospitality venues.

#### 3. Integrated Footplant Technology

Recognises the exerciser's natural foot speeds and matches every stride for an ultra-smooth feel that enhances their workout experience.

#### 4. Ground Effects® Impact Control System

Our patented GFX system combines ideal cushioning, support, and stability for exercisers. Precor decks are designed to provide more absorption in the front where the exerciser's feet hit the belt and added rigidity at the back for a firm push-off.

Refined colourways with dark Tungsten covers and two frame colour options.
