

DPL0802 Smith Machine

DISCOVERY™ SERIES PLATE LOADED LINE

Like every piece of equipment in our Discovery™ Series Plate Loaded Line, the DPL0802 Smith Machine adds value to your facility by combining essential performance and durability with thoughtful design to deliver an exerciser experience that feels natural.

The bold, sleek design of the Discovery Series Plate Loaded Smith Machine features high head clearance and a clean, walk-through design. The 11 degree bar angle, which optimizes the body's natural path of movement, and innovative Smith bar design produce a smooth, natural feel and exceptional workout experience.

Strength equipment is a long-term investment and with the Discovery Series from Precor, you can make your strength purchase decision with confidence. With a full range of products that are approachable and intuitive, perform for exercisers of all ability levels, and will withstand the test of time, the Discovery Series is the straightforward strength solution you've been looking for.

DPL0802 Smith Machine

DISCOVERY™ SERIES PLATE LOADED LINE

Product Features

1. Bar Glide Path

The Smith bar glide path optimizes the natural movement of the human body with an angle of 11 degrees.

2. Innovative Smith Bar System

An innovative design enables the Smith bar to accommodate a higher weight capacity, while also providing a low start weight of 25 lb / 11.3 kg without the need for a complicated counterbalance system.

3. Intuitive Safety Stops

Exercisers can now quickly and easily adjust the safety stops from the workout position.

4. Clean, Open Design

Greater head clearance provides an optimal walk-through design, enhancing accessibility for your exercisers and opening up the sight lines within your facility.

5. Streamlined Bar and Bearing System

The Smith bar and bearing system features 20% less high-wear parts compared to traditional designs, providing a lower cost of ownership.

6. Weight Storage Horns

The six weight horns provide storage for over 1,350 lb / 612 kg of weight plates.

7. Secure Hook System

The unique bar catch plate profile and roller wheel hook ensure easy, secure nesting into one of the 16 catch positions.
